

The Herald and News

H. H. AULL, Editor.

There will be harsh things enough said about South Carolina justice without the State. No profit can come from raging within. We have been in a deep shadow. Let us look for the light, knowing and believing as Charles A. Dana said, "that humanity is advancing; that there is progress in human life and human affairs; and that, as sure as God lives, the future will be greater and better than the present or the past."—Charleston Post.

Let us hope so. But there seems to be a general disregard for law and no fear of courts, stalking abroad throughout the land. Not only is human life cheap and the pistol ever ready to take it on the slightest provocation but there seems to be a general disregard for all law and there is not the respect for the courts which prevailed in the olden time. And yet we do not believe the world is growing worse. If violators of law were punished regardless of the position or social standing of the violator it would be well but men should be law-abiding from higher motives than those which come from fear of punishment.

Take the law against carrying concealed deadly weapons and the man who feels inclined to make a walking arsenal of his person goes ahead and does it just as if there were no law on the statute books in regard to it.

We need to build a healthy public sentiment both by precept and by example on this question of the enforcement of law. No law can be enforced that is not upheld by a healthy public sentiment.

We need also a higher and more sensitive regard for the rights of the other fellow. We need temperance in speech and practice and the brighter day of which Mr. Dana speaks will hasten. By this it is not meant that there shall be any compromise with evil or evil doers. Let justice be administered and the law executed without fear or favor. A very important factor in the execution of the law under our system is the juror. Only the names of men who are of known integrity of character and of sufficient intelligence to discriminate should be placed in the jury box. The jury system is alright but you want men of uprightness and a high sense of their duty and their obligation to hold the scales of justice evenly and without fear or favor as between the person charged with violation of law and the commonwealth.

The Georgia convict system gives to the counties the right to lease from the State whatever convicts the counties may be able to use on the public roads. The balance, about 1500, were let to private parties for the net sum of about \$250,000 per annum.

We should like to see all the convicts able to do work placed on the public roads and as some of the counties might not be able to use them let the counties hire them from the State and give the State the revenue. It would help along the good road movement as much as anything else. Labor of convicts on the public roads would pay very much greater dividends than working on farms and growing cotton and corn. South Carolina has about 800 convicts and it is considered good business management if the superintendent is able to turn into the treasury \$10,000 a year.

The new sidewalks add very much to the comfort of the pedestrian not to speak of the appearance of the town. There are some sidewalks where the water from the streets run down the sidewalk whenever it rains. These should have attention.

A good deal was said by the lawyers in the Tillman case about the press. The South Carolina press will continue its work for the up-building of the State and will not hesitate to express its opinion on public men and public affairs and to point out wrong doing wherever it may appear.

The good roads mass meeting will be held at the court house tomorrow, Wednesday, 21st, at 11 o'clock, pursuant to adjournment. Everybody is invited. Roads are good now comparatively, but wait until the rains come this winter and then you will again be convinced of the importance of the subject. Now is the time to do something.

In "The One Woman," Mr. Tom Dixon's new book, occurs this passage: "High above his mantle he had carved these words: 'I am an old man and have had lots of trouble, but most of it never happened.'" We all have lots of trouble and a sufficiency without borrowing from the future.

IN MEMORIAM.

Primary and Junior Union of Sunday School Teachers Pays a Beautiful Tribute to Miss Nellie Chapman.

At a meeting of the Primary and Junior Union of Sunday School teachers held Friday, October 23d, in the A. R. P. church, of this city, the following resolutions were passed on the death of their late member, Miss Nellie M. Chapman.

Whereas, it has pleased Almighty God to call our beloved co-worker, Nellie M. Chapman, to her rest, be it Resolved, That we hereby express our bereavement in suitable terms and extend our sincere sympathies to her relatives and friends.

Resolved, In the death of Miss Chapman the Union, as a body, has sustained an irreparable loss and each member, individually the loss of a personal friend; for she who has been called above, was a most zealous and faithful teacher in our midst, and a true sister to all in Christ. Conscientious in the discharge of every duty, true to self and friend, her life was an example of purity and love; filled with grace, verily her light shone before men.

Resolved, That a blank page be left in our minutes to her memory, and that these resolutions be published in our papers, and a copy of the same be sent to her family. Mrs. A. Jackson Bowers. Mrs. W. E. White. Mrs. Isabel T. St. Amand.

ENDORSED AT HOME.

Such Proof as this Should Convince any Newberry Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow citizens, addresses his friends and neighbors you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Newberry adds one more to the many cases of Home Endorsement which are being published about "The Little Conqueror." Read it:

P. B. Hutchinson proprietor of general household furnishing store on Main street says: "I have used Doan's Kidney Pills in my family with very beneficial effect. We used them for kidney trouble and backache. The relief given was immediate and permanent. I obtained the pills at W. E. Pelham & Son's drug store and I can and do recommend them very highly believing them to be all that is claimed for them. For sale by all dealers. Price 55 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name Doans and take no substitute."

Caution!

This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschee's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 25 cent size has just been introduced this year. Regular size 75 cents. For sale by W. E. Pelham & Son.

Gentlemen:—We furnished the Longman & Martinez Pure Paints for painting the Methodist Church of this place.

They only used thirty-two gallons, and painted three coats.

They calculated their requirements would be forty gallons of paint to cover two coats.

After two coats had been applied, they found it took so much less than the first calculation, that the committee decided to put on a third coat.

This was done with thirty-two gallons.

They saved twenty-one gallons of paint by the use of the Longman & Martinez Pure Paints.

Longman & Martinez donate a liberal quantity of their paint to every church through any of their agencies, located in every City, Town and Village in the United States.

Very truly yours, W. R. McCra y. The Longman & Martinez Paints are sold by Newberry Hardware Co.,

Get the Best For the Asking. When you order a sack of patent flour from your grocer, do not tell him to send you "a sack of good flour", but tell him to send you a sack of "Clifton", because "Clifton" is the best patent.

Every sack is sold with this guarantee, and if it does not prove as represented, your money will be refunded. "Clifton" is an all-round flour, and is as good for cake and pastry as light rolls and biscuits. T. J. HAYS.

Chamberlain's Cough Remedy. No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip effectually and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. It is also pleasant to take.

When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and very few are willing to take any other after having once used it. For sale by W. E. Pelham & Son, Newberry, S. C., and Prosperity Drug Co., Prosperity, S. C.

Letter to Scott & Carlson, Newberry, S. C. Dear Sirs: Clothing is just like paint: It fits or it don't; it wears or it don't. turns weather and water or not; and goes out of fashion.

What do we wear clothes for? Did you ever think of it? Different persons have different reasons, no doubt, but one paints Devco for beauty, to be in the fashion and keep out water.

Fashion says paint; we all paint. There is beauty in paint; we paint a good deal for that. And buildings are costly and fashionable; put on a waterproof two or three coats of paint, and your buildings last as long as you keep them dry. It costs nothing to paint; it costs your buildings not to.

Devco is the paint that lasts; disappearing paints are the paints that cost. Yours truly, F. W. DEVCO & Co. P. S.—The Newberry Hardware Co., sell our paint.
